

Ace software Services is looking for Male/female candidates for sales & marketing, the candidate must possess few qualities;

- Has to be at least a graduate from any stream.
- Have to have a good computer knowledge.
- Must be a hard working dynamic and good listener.
- Decent communication & convincing skills.
- Proficient in reading and writing English.
- Ready to achieve targets.
- It's a position which requires lots of traveling so the candidate must have a two wheeler.
- Must have a year of experience in sales, preferably I.T. (information technology) sales.

Selection criteria:

As mentioned everywhere that the candidates have to post their CV's to the mentioned e-mail i.d. careers@acesoft.co.in that is it, no submission via post/walked in to the office to submit the CV is allowed, after having shortlisting of the CV the selected candidates then be informed to present for the Personal interview, we may have a telephonic first round so mention an active number to the CV. Mention sales/marketing in the subject line while posting the cv via mail.

Job profile:

As the title itself suggests that it's a sales job which will be certainly weekly monthly and yearly target oriented, lead generation, meeting with concerns, follow-ups and closing the deal that's what it is all about!! As far as market area is concern for us the entire earth is a market so be it online be it offline one can pitch the product everywhere but the bottom line is deal needs to closed.

Remuneration:

Be assure that it will be best in the industry for the best, apart from the fix salary there will be incentives after achieving assigned targets and allowances such as petrol and mobile will also be there!!

Important things to keep in mind:

We have received end number of calls just to clarify that it's not a 9 to 5 desk job, it's a job which needs dedication so no calls about the remuneration or the desk job kind of thing will be entertained, so make sure before applying that don't apply for the sake of applying yet another job. Job location is strictly Varanasi, so one have to report daily in the Varanasi office itself after joining, it's again clear here that it's not like doing things from your home or from your home town for that matter!! One have to report daily in presence.

We believe that we are surrounded by full of talents so don't waste it take the first step to join a dynamic pool of talent called team acesoft. Wishing the aspirants loads of success!! Post your CV's to careers@acesoft.co.in
